I would respectfully suggest a slight alteration in the proposed rule. It may sometimes happen that the Dewan will go to Mysore for a day or even for a few hours and his Private Secy or the Undersecy on duty with him may accompany. Is it necessary to give permission to take conveyances in such cases? Must the addn. to the draft at the end maybe approved

~~Then again Art 540 does not~~ contemplate the grant of this concession to officers who proceed to a place by rail and halt there. If the special concession is to be shown to the Dewan's staff - a separate article should be introduced in the M.S.R. and not a rule under Art 540.

	Submitted need not issue at all. The main article itself gives power to the officers to take a carriage and horse. There is nothing new in the addendum. The addendum is to confer the privilege without the officer having to obtain sanction each time it is used perhaps see letter to make it clear by the addition of the word "always" after "bicycle" and before "whenever" in the penultimate line. The addendum would then read:- "The H.S. on duty with the Dewan and the P.S. to the Dewan may take (grain at Govt. Cost a carriage, a horse and a bicycle, always, whenever they accompany the Dewan on duty." (Hosely) 4/11.10
	This is the general sanction referred to in the article. The addendum is all right & may issue. 24/4 Issued 22.11.10
2	Inserts the following to the article 540 M.S.R.:- "The Under Secretary on duty with the Dewan and the private Secretary to the Dewan may take by grain at Govt. Cost a carriage, a horse and
